TOOL 15

This activity aims to harvest the collective wisdom in the room with regards to a specific topic or subject. It allows everyone to voice their opinions.

HOW TO USE C2C

- Use the questions on the next page.
- The leader or meeting facilitator should pose one of these question to the greater group.
- The blank in the sentence should be filled with a word relating to the topic or reason for the meeting.
- This can be done face-to-face or virtually.
- The team leader or facilitator should ensure everyone contributes.
- Bear in mind, introverted personalities may need more time to reflect or prepare their answer.
- Consider giving the group some time to consider their answer and/or pose the question to these members last.

TOOL 15

What are we missing when it comes to...?

The biggest obstacles and barriers to success with ...include...

What's the real challenge with ...?

What is something you know about ...?

What rules should we be breaking with regards to ...?

If we knew we couldn't fail, what would we do with regards to...?

What lessons have we already learned about ...?

What do you think when you hear the word ...?

How can we do ... better?

To you, what is the most valuable part of ...?

If you could offer advice about ... , what would it be?

How does ... impact our success as a team?
