

WHAT TYPE OF TEAM ARE YOU LEADING?

In just 5 minutes, uncover what's really holding your team back — and where to focus for **maximum impact**

Even capable teams can struggle with misalignment, uneven performance, or lack of cohesion. **The challenge isn't always obvious** — but the impact shows up in missed deadlines, **slow decisions**, and inconsistent results.

This short diagnostic helps you cut through the noise and see what's really going on...

In 5 minutes, you'll identify:

- ✓ Where your team is losing time and energy
- ✓ The real cause behind performance challenges
- ✓ Your team's unique profile
- ✓ The most effective next step to improve results

- ✓ Practical, **insight-driven** results
- ✓ Designed for **managers leading real teams**
- ✓ Takes less than **5 minutes** to discover if your team is:

The Confused Collective

Busy, but not aligned or moving in the same direction

The Hard-to-Read Team

Inconsistent performance and difficult to motivate

The Fragmented Team

Disconnected, with low trust and limited collaboration
